Re: Letter to Tom Julian of 9/23/24
"returned to sender"

Greetings:

The letter I sent to Mr Julian on
September 23rd, 2024, was returned to me as
"Illegible". I'm including a copy of the
envelope. Except for the "US", it looks
legible, the zip-code in particular.

I hope that didn't cause any
problems. I just ~~st~~ got it on Thursday,
October 25th, 2024.

Apologies,
Scott Tyner
